

DESIGNING. CREATING.
TAKING CHANCES.

Enjoy this free Sensational Seven bingo card! You can win by getting five: vertical, horizontal, diagonal, or by getting four corners.

Hope you enjoy this card; I enjoyed creating it!

Best wishes from the Sensational Seven team!

Something goes wrong with your robot.	Two teams don't have a robot.	A robot is over the size limit.	You make last minute repairs	You see, an alliance set the high score.
You get a big pickle from the snack bar	You see an alliance complete a circuit.	You see a red alliance cone.	You find out you didn't pack lunch!	Your robot shuts down in a match.
You see a ground junction.	A new team Has a Cool name.	Free Space! (Everything goes wrong)	You lend a team a spare part.	You didn't pack water.
You see a blue alliance cone.	You get a cool idea from another team.	Someone bought something from Starbucks	You see a funny team number	You see a cool team beacon.
You try the free suckers from S7.	Someone forgets goggles in the pit.	You have won the Inspire award! (1 st or 2 nd)	A team forgets their robot.	You see the S7 robot!
